I’m so sorry for your loss.

- Acquaintance

Jordan was a sweet young man. Kim and I only met him a few times, but he was nice . Jordan was a father figure to our Grandson Kaezen for years. Kaezen will miss him greatly. When he was around us , Jordan was nice to visit with and very respectful. He will be very missed by many people who loved him . God Bless his family, all of them. We hope the family can find solice and comfort to get get threw this difficult time. We as adults need to make sure all the young people rise above this and move on. Lets pull together and make sure the kids can talk and be heard!!!!!!!!

Jordan was such a great man. I do, and will, miss him. This world is a lesser place without Jordan. I pray the family endures a respite from any more tragedy and suffering.

Jordan was a great young man. I so looked forward to the plans we had for the future. I can only pray that this wonderful family suffers no more additional tragedy. This world is a lesser place without Jordan’s excellence. I miss him and will keep him in my prayers

Jordan was one of my best friends, we did so much together and my father that had passed away and my mom loved Jordan like he was there own. He was the most kind hearted down to earth positive person ever. He was the one out of our little skateboard group that would always lift us if one of us were going through hard times. I love you so much Jordan you and Josh were my best friends always and I always will remember forever that you can still and always kick my ass when we played paintball. You will always be remembered as that beautiful outgoing positive angel. R.I.P
