My deepest sympathy and prayers to all the family. I worked with Jordan at Timberline Ace Hardware. He taught me a lot on electrical and plumbing. He was a great coworker and friend and I truly enjoyed working and golfing with Jordan. I will miss him dearly.

Marcus, I feel so sad for you and the family loosing a brother, husband, father, son and friend. Moments like this, with somebody gone way to soon (thinking that he even was three months younger than my sister) remember me to live our lives respectful and grateful for every day we have and to make the best out of it. I wish you and the family all the strength you need. Christian
