My old friend I was saddened to hear of your passing! When we met at F.I.T in our Menswear program we shared many dreams while having fun along the years in class and out of it! I was glad to hear of your loving family and of your career success! Wishing your family all love and peace! Your Menswear Brother for life! - Peter Negron

I want to send my condolences to my cousin Junior's family. Words are hard to come during moments like these. I send you all a hug and ask God for your comfort and strength to each one of you. Even if we didn't have close contact with each other, the kinship even across the miles remain. Sending prayers and love. John 14:1-3: "Let not your hearts be troubled. Believe in God, and believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also." Love, Mary Vega and family
