Thoughts are with Miki and family. I never met you both in cuddling but we met several times on chat on video.. I saw the love you had for one another. I send you my condolences my friend and much love sent from your friend in Scotland xx

Your Papa Joe was always so kind when he came to the art gallery. I loved seeing his beautiful pieces. He encouraged me with my art too. His laugh brought joy. May his memory be for a blessing. All of our love to your family.

Miki, I was so saddened to hear of Joe's passing. I had planned on attending his funeral but missed it because I thought is was on Saturday. I got up Saturday morning and got ready when my husband asked me where I was going. I told him that I was going to Joe's funeral and he told me it had been on Friday. I so wanted to see you and wrap my arms around you. Please accept my condolences and my deepest sympathy. May your memories of Joe bring you comfort and peace. I am praying for you and your family. Love!!!!
