What a wonderful friend and neighbor Karl has been! Words can't express what I feel. Karl's sweet wife and family have made our neighborhood the best ever. I look forward to seeing Karl again...bless him!

I just heard of Karl’s passing and I am so sorry for your loss. Karl was a gentle giant, heaven gained a good one. I worked with Karl at DMBA and he was funny, sarcastic, kind and always so helpful. Definitely gone too soon. Sending prayers to your family.
