February 13, 1928 ~ October 29, 2020

We are so sad to hear about your dad. He was like a second dad to us. We cherish the many hours we spent in your family's home and the many camping trips we went on to Redmond camp grounds It was fun to make your dad laugh. He had such an infectious laugh. Your mom and dad were such loyal friends to our parents. They loved going to dinner every Saturday. I know my dad and Lamar are catching up. We love your family!!

What a good man he is. Lamar was one of several men who took me under his wing. I enjoyed our patio talks while his son Steve was on his mission and the love and support Lamar gave me. With his loving guidance/concern I made decisions that forever changed my life in a very positive way. What an amazing person. Godspeed my friend.

So sorry to read about LaMar's passing. Sounds like he had an amazing life though. He always took good care of my jewelery problems. God bless Thelma Parry

Dear Colleen and Family - I am sorry to hear of the passing of my cousin, LaMar. Interesting. I was thinking about both of you just last week, and wondering what was happening and if you two were still around. I've been in contact recently with our cousin, Keith Dixon, in Brigham City. He and Charlene seem to be doing well. There are three of us left in my family - Loran, who is now 90. Shirley is 89. She had a bad stroke a couple of years ago and is receiving in-home care. Leland who is now 86. Eutona is 84. They are doing well. I am 82. My Joe died three years

ago. I am active and healthy. May you be blessed with comfort and strength at this time. What a long and wonderful marriage you had. I love this thought I have posted in my home, "One way to have a bit of Heaven in your home is to have someone from your home in Heaven." My love, Connie LaDean Dixon Barlow
