

Joseph Melvin Sweat

July 13, 1935 ~ Oct. 28, 2023

We are so sorry to hear about your dad. Please accept our condolences. He was a really great man.

Dad, The house, while not empty, has a great void as we lost an important part of our family. It was a struggle at times, but it was always a blessing having you in our home and in our lives. You will be greatly missed here, but, oh what an incredible reunion you must have had at Heaven's gates. Mom adored you and I know you adored her. Even as I held your hand as you slipped away from us, I felt mom's presence as she took your hand from me and walked you to the veil. Oh, what a glorious day! Godspeed dad. Until we meet again. Love, David and Maria. We love you.

What can I say? This man was a superhuman when I first met him. I was a little intimidated at 21 but he grew on me and I really liked him. He taught me so much, especially about gratitude and perseverance. I'm so sorry for everyone's family♥■

So sorry to hear about the loss of your sweet dad. Loved him dearly! I remember waking up to his donkeys braying every morning. And one of our best dogs was an offspring of his little dog Rosie. We had Trapper for about 13 yrs. We remember your dear mom Annette and how he took her on her dream vacation to Hawaii and they stopped by afterwards to give us a gift of chocolate macadamia nuts, (always thinking of others even when she was so sick)!!

"Joseph Melvin Sweat was a man of character..." This is the perfect opening for his obituary. I don't have as many memories as others, but what I do remember is how much my parents (Arlo and Nancy Allen) liked and respected him because of his character. They are not here but I think they would want me to share their sentiments with you. The picture provided is exactly how I remember him as a child. On behalf of the all Allen(s) we want to express our sincere gratitude to his family that shared this man with the world. He made a big impact and lasting impressions on everyone around him. ~Brett A Allen
