Joseph Milton France Jr

Joe, I was a Brea police officer (now retired). I would often park at the LDS church on Poplar to take my lunch break and write my police reports. I met you when you were one of the groundskeepers at the church. I enjoyed the times we would chat, and I loved your dogs, Abbie and Rex. It was a pleasure to have known you Joe. Soft and safe be thy resting place. RIP Joe! Your friend, Dave Herrera
