

Joseph Paul Rumberger Jr.

July 27, 1929 ~ Dec. 30, 2020

You will be forever missed Grandpa♥■ God saw you getting tired and a cure was not to be so he put his arms around you and whispered, "Come to Me" With tearful eyes we watched you and saw you pass away and although we love you dearly we could not make you stay. A Golden heart stopped beating hard working hands at rest. God broke our hearts to prove to us He only takes the best.

Please accept our deepest sympathies. We will miss Joe very much. He was an asset to our neighborhood and Ward. He was an excellent example of faith, personal strength and perseverance, and was a good friend. We will miss seeing him driving down the road in his Cadillac (golf cart). We hope to see him again.

We love Joe's so much! He was such a great neighbor and friend. We learned a lot from Joe. Especially, how important it was to live life. He never gave up and was always doing something that he enjoyed. He was amazing!

Joe is deeply resting in my mind. Serving with him in the Oquirrh Mountain Temple was my privilege. He is a kind and loving gentleman, whom I look forward to again put my arms around. I expect that on that day his arms will be stronger than our last embrace. Love you Joe♥■ Ken Asay (President)

Joe was a wonderful friend and neighbor. We seemed to connect with Joe and Leona right after they moved into the ward and have enjoyed many happy hours together since. Joe is amazing. When most are content to sit in their easy chair, he was working in his garden, feeding the neighbor's horses, tinkering in his garage, or traveling to visit friends in his golf cart. He always had a project in mind and couldn't be dissuaded from finishing it. Often neighbors and friends stepped in to help. A broken hip slowed him down, but didn't stop him. At age 90 he bought a calf to raise, and keeping it fed and happy kept Joe content and happy as well. We miss you, Joe, your many phone calls, your ever positive attitude, taking you to the doctor, helping with your projects, and your faith in our Savior. We look forward to associating with you again. Steve & Patricia Sonntag

I had the opportunity to work with Joe off and on with a home health company. I enjoyed feeding the calf with him, driving in the golf cart, attending to his garden, attempting to fix a broken pipe that watered his garden where we got drenched and last but not least, getting to make eggnog sugar cookies with him. He was a kind man whom I enjoyed getting to know. I'll miss you, Joe.
