

Joseph S. Garcia

February 25, 1919 ~ April 8, 2024

Joe & Kay lived behind me in the condominiums in Bountiful. I came to know Joe & Kay and was able to visit with them often before Kay's passing and my moving away. I would paint Kay's fingernails and she, my young daughter and I would dance, Kay with her dementia and not being very verbal, always liked her fingernails painted and liked to dance and she would hum to the music and just grin! Joe was so incredible at taking care of his sweetheart, no matter what! I have thought about him often over the passing years. Such a good, good man! May sweet, tender memories of Joe & Kay bring the much needed peace and comfort at this time.

It was a pleasure to get to know and care for Joe. He was a delight and always made us smile. I asked him how he lived so long and he said "Just wake up and breathe." He was loved by everyone at the Veterans Nursing Home. We will miss him! He will get to be with his sweetheart Kay. He was always looking for her and it is great to know they are together! Rest in sweet peace.
