Great memories of Joe during high school. We had our fun at the Point, working on cars and generally goofing around. He was also a good artist and we had great times in class. Rest in peace now.

Joe was an amazing friend. He always had a smile and words of encouragement. I will never forget how his eyes would light up when he spoke about his amazing kids/grandkids. You could feel the love he has for them. May God bless you all and give you comfort. My condolences on your loss.

So sorry to hear of Joe's passing. I was a teacher at Billings Senior and remember Joe as always being a gentleman at school and also at Cobb Field where he excelled pitching for the Royals. Our condolences to Joe's

Joe was always full of life. I remember growing up with him in Billings, Montana. Him, David Asay, and myself were considered the three "duhs". I am not sure how we came up with that figure of speech but it stuck with us throughout our lives. I have so many wonderful memories of Joe. He was one of my best friends from high school. I will cherish the memories we had together and will forever miss his laughter and sense of humor. I know Joe is with Heavenly Father now and at peace. My prayers go out to him and his family.
