Felissia, Austin and Hunter - I’m so incredibly sorry for your loss Josh was a special person and I’m so heartbroken for all of you. I’m thinking of you, praying for you, grieving with you and sending my love. Felissia - the love you and Josh had for each other was so inspiring so pure and genuine. He was your everything and you were his. He was so funny, was a light in this sometime dark and heavy world and wanted to make sure that everyone around was having a fun time. My teenage years were some of the fondest of my life and I a lot of that time with spent with you and Josh. Remember it’s okay to have bad days because it reminds you how much you love them and the good days remind you they’re right there with you.
