We have known and loved Joyce and Duke for many years! Lyn always appreciated the respect, cleverness, and love with which they treated each other. We have worked with them through the years in Wanderwood Ward, and have met and talked with several of their many children. Their plans and care for all of those children, spouses, grandchildren and great-grandchildren always impressed us as we considered trying to follow their examples with our six children. As we drive past their home going and coming from our home, we miss her knowing her lovely spirit has gone from our lives, but also remembering that she has returned to be with father and mother and Father and Mother who are enjoying that cheerful smile and brilliant musical talent. Our love, Lee and Lyn
