

Joyce Anne Jeffs

June 13, 1942 ~ February 8, 2026

So many years have passed. The countless days we shared with our families. Christmas carols in sandy, water fights with us kids. My mom and dad are both passed on, and hearing about Joyce just feel like another family member has made it back to heaven! All our best the Dick,Alisa and family. God speed.. until we meet again.

What great memories growing up with the Jeff's as neighbors. I remember Joyce as being so kind and mild mannered, always having a smile on her face. She will be greatly missed by all. My thoughts and prayers are with your family at this time. May memories of Joyce bring smiles upon your face for many years to come! With love, Tawni McKee Brown

So sorry to hear of Joyce's passing. She always had that great smile. Dick and her were always performing great music in their own way. May you feel her love for her savior as you mourn her crossing thru the veil. She had a strong testimony. May the Lords blessing of peace and comfort be with you at this time,
