I will always remember Aunt Joyce fondly. When we were young, we had big Thanksgiving and Christmas parties with all of the cousins. It was so much fun and Aunt Joyce often had them at her house with all the good food and good company. She was a real fireball and we loved her! She will be missed.

I have such fond memories of Aunt Joyce. She was always quick witted and had a twinkle in her eye. She was fun loving and whenever I think of her she is smiling or laughing. I treasure the family parties we had when I was younger and grew up getting to know her and having her a part of my life. As the obit stated, she was a marvelous cook. Mom always wished she could cook like Aunt Joyce and Aunt Bernice. If I ever needed a good recipe, they were the ones to turn to! She will be missed, but remembered with a smile.

I was so honored to be able to be a friend of Joyces and to get to know her wonderful family. She will be sorely missed. Condolences to the family that she loved so much.

Sadness is what we feel with the passing of Aunt Joyce. She lived a long life. I have fond memories from my younger days when all the families were together at picnics and celebrations. She will be able to celebrate with those that have gone before, maybe it will be at the best fishing hole and Uncle Ross will have his partner by his side again. Remember the good times and you will always smile. Eddie & Kathy Rice

My heart is a little sad, losing my funny-happy-crazy cousin. We had a lot of fun-loving reunions. Lots of memories. She is finally with her Mother, which she didn't get to meet in this life, and her Dad she loved very much. See you someday, Joyce. Love Margie..

My deepest condolences to all of the Harper Family. I so appreciate that Joyce always loved Jeremy and kept him in her heart. Much love to you all.

Im sad Joyce had some issues in the end . Happy she is in a better place watching over everyone now. I was blessed to attend her 80th birthday. It was one of the best if not THE best party ive ever attended. What a great woman. Heaven is better with her there.
