

Joyce Daniels Smith

October 19, 1935 ~ December 6, 2021

My sincere sympathy to Craig and the family on Joyce's passing. I so enjoyed my long relationship with Joyce and Ted which continued on for many years after Ted passed away. She always had a smile and positive outlook and she was always there for her family. She will be missed.

The party is on, who’s turn is it . Probably not good to sit next to grandpa smith tho. Lol. He took the draw 4 personal. How I will always treasure the whole lot of them. And Steve put another dime in the juke box please. I feel a lil dance coming on. Love to you all. You know they want you to laugh. It’s a family tradition. ■■❣■
