

Joyce M. Kinnersley

February 3, 1938 ~ February 10, 2022

My deepest condolences to Doug, Larry, Angela and their children, on the passing of their mother and grandmother. Aunt Joyce and Uncle Russ were always very kind to me and to many others who crossed their paths. I will cherish my memories of Joyce, who will always hold a special place in my heart.

So sad to hear of Aunt Joyce's passing. But, know she is now free of her MS and enjoying time with Russ and Ronnie, as well as myriads of other friends and family. Aunt Joyce was always a very positive influence in my life - from the time I was a small child looking forward to seeing her whenever we travelled to SLC. I fondly remember her reception as I felt very important as a "flower girl" standing in the reception line. I always loved visiting her and Uncle Russ. Her cheery disposition made her so much fun to visit.

It was with great sadness to learn about Joyce. I had very recently tried to call her but never got through. She was an angel of a Lady who set a wonderful example of love and smiling cheerfulness. Her husband was my Elder who taught me and my husband the gospel, through him we became good friends. Etenal love xx

We loved Joyce and Russ. They were special friends and neighbors. The service was so nice and a beautiful tribute to Joyce. She was such a happy, positive person. One of Joyce and Russ's dear friends, Lyn Headman,

would love to relate some wonderful memories of their time together in Chula Vista when Lyn and Russ served in a bishopric together. His number is 801-755-4295 and he lives in St. George. May you all be abundantly blessed with the Lord's peace and take comfort in Russ and Joyce and Ronnie's reunion. Joyce and Russ lived a good life devoted to their Heavenly Father and Jesus Christ. I loved Russ and Joyce. They were wonderful examples of compassion, love and kindness to everyone they came in contact with. My association with Joyce began when we worked together in the Relief Society when I was Relief Society. When times were difficult she never complained but was always cheerful. I have wonderful memories of Russ and Joyce when we were in a dinner group with Russ and Joyce for at least twenty years. When their turn came around, Russ did their share of the cooking and Joyce was the "Hostess with the Mostest". I am so happy to had Joyce and Russ in my life. Thanks for the Memories. Joyce will always be remembered by us as a devoted wife to her husband, and a good friend to all who knew her. We always looked forward to her sweet and cheerful phone call on each birthday. She was 100% dependable. She lived long with the frustration of not being able to do more, but she did her best at whatever she was asked, and did it with love and devotion. Thank you Joyce for your service. Jon and Susan Dunn

I was a neighbor many years ago on Hubbard Ave in the Yalecrest Ward. I still think of Joyce to this day. She was such a sweet friend. I am making her cherry dessert today and that, of course, made me think of her. I think of her often but especially every time I make this dessert. I look forward to the day when I can see her again and give her a great big hug. Much love to her sweet, beautiful children who won't remember me, but I remember you when you were small.
