I’m so grateful to have know. Aunt Joyce. I have such good memories of visiting her and being around her. She had such a fun way about her and always had a smile and a hug for me. Her impact on our family because of her and Sear’s love of my dad is a gift that we treasure.

What a wonderful and accomplished lady. I only knew her thru my sales calls to Industrial Supply. She would always great me with a smile and ask how I was doing. My sincere condolences to her family. William Hendren

Our sweet (Aunt) Doitz has been lifted into heaven to see her darling husband, Sears! She will be missed so much, but I know she has wanted this for so long and am so blessed to have been graced with her for so long!

Joyce, thank you for the short time I knew you and you became the lady I want to be when I grow up. And your favorite song is now one of mine. In the circus I love the bear on the ball with a parasol. I know you are in Heaven

with the man you love and your parents. Enjoy your reunion. Love you very much. Susan ■

I extend my heartfelt condolences and sympathy at this time. I was Joyce's Mailman for many years. I first met her when she left me some Werther's Originals candy at the mailbox. I left her a thank you note. The next day she introduced herself and expressed her joy that I had thanked her for the treats. We became great friends. It was my favorite part of my day to see her. I would see her almost daily for nearly 10 years. She is amazing and has done so much good in this world. I am blessed to have known her and a better person for.

Deepest condolences. She was such an accomplished woman and had a full life. My favorite memory of her is leading the costume parade at halloween around the ISC premises.

Our loss is heaven's game. Joyce finally gets her reward by being back with Uncle Sears, her relatives who are there., and her many friends. Aunt Dodo taught me how to tie my shoes when I was a little kid. I have a great many memories of all the good things that she has done in my life. Thank you Aunt Joyce for being there for us all. Enjoy your reward through the merits of the Holy Messiah.

I am SO sorry for your loss but so happy for this amazing woman! I just found out about her passing and am so sad that I missed her funeral. I would have been there for sure. On behalf of myself and the Brigham Young Granddaughters Association please accept our belated sympathies! She was an important part of the Granddaughters, and I personally will miss her smiling face and the joy I felt that she always knew who I was among so many. What a wonderful legacy she has left for ALL of us! Love to you all! Kari

I can't remember a time when I didn't know Joyce. If I ran into her at a funeral or a luncheon or at Bills Market, I always got a hug, a kiss on my cheek and a loving curious conversation. My parents (Dean and Kelly Williams) adored Sears and Joyce and my dad especially shared a love of music with Joyce. I am so sad I didn't see this until after the funeral. I would love to have been there to remember this sweet sweet friend! How lucky you all were to have had her as your mom!!!
