Warren Brent Parkin

May 17, 1962 ~ June 13, 2019

Melissa, I’m just now learning the news of Brent’s passing and I want you to know how sorry I am. We have been out of the country on a mission for nearly three years in Taiwan and we are out of the loop as well. I still remember that you two met on our seminary council in our Skyline days. I have fo d memories of those times with you snd Brent and the others. May God bless you and your righteous family of missionaries you’ve raised to go out to the world and preach the gospel. When we return in June of this year We will be relocating from California where we lived for nearly 30 years to Highland utah. Hoping to catch the next reunion if the virus calms down. Thinking of you and sending my deepest sympathies and love. I love these comforting Lyrics to the last verse of the hymn “ If you could hie to Kolob”: There is no end to Glory There is no end to Love There is no end to Being There is no death Above!
