Judy was such an important part of Bountiful Soroptimists. We are all absolutley crushed by the news of her passing. She was a terrific treasurer, always there to help with our many, many projects and always such fun to talk to. She was an amazing person that we are already missing. We'll be there for her funeral on the Internet today, wishing we could be there in person.

What a great lady and Sister in Christ. Enjoyed serving with you in the temple. Until we meet again.■

I worked with Judy at the Bountiful temple for over 5 years. She was such a joy to work with. She was so graceful and put-together. I never saw her upset or frazzled. She was always so proud of her work with the women's club she volunteered with; especially during the Christmas tours. My deepest sympathy to all the family and loved ones.

I am saddened by the passing of my friend, Judy. We enjoyed many walks and talks over the years. We shared many wonderful talks about our families, family history, and current events. Condolences to her son, his wife, and her beautiful grandchildren.

We loved Judith. We enjoyed our association with her as a ward member. We spent many enjoyable evenings with her in a group out to eat and the theater. We missed her when she left the ward and we will miss her even more now.

Judy is a dear friend and sister in the Gospel. I am saddened to learn of her passing; I know she wanted to see those darling grandchildren grow-up. We will miss her greatly and look forward to a wonderful reunion in the hereafter.
