When I first met Judi it was just before David got married, as if we had know each other always. She became my aunt too. She attended our sealing and many gatherings with my children. David and I sadden that she’s gone, but we know that we’ll see her again. We love you Judi forever without stopping…….. ♥■

I was sadden to know Judy was not with us. We've known each other in the Buena Park 1st Ward since 1987. We loved to joke around. See you later whenever it's my time to come back to heaven.

I worked with Judy at McDonnell Douglas. She was kind and was a good observer of people. I recall her fondly, and she was well-liked by everyone.
