Dear McConkie Family: What a Wonderful Legacy has been left here on Earth by Judy Stoddard McConkie! It has been a true privilege to have lived for 38 years 4 doors away from Judy & Oscar, and to have learned so much about what "Family" is supposed to be like and act like. We are all forever blessed and improved by Judy's deep devotion to things meaningful and lasting. We pray for our Heavenly Father's warmth, comfort & cheer for each and all of you, during this grand reunion, and always!

So sad to learn of Judy's passing, but I'm grateful for the knowledge that she is in a better place and with her husband, my parents, and many other loved ones. I love Judy. She was always very kind and loving towards me. The loss is very real. I miss my Mom every day. So I wish for you all comfort at her remembrance. Sorry I can't

physically make it to the funeral services. I can't drive long distances because I have a tendency to fall asleep at the wheel. And right now I have 3 big out-of-control dogs that I would not be able to handle on a trip. But I will watch the services online. Love to you all.

Dear McConkies. I was so sad when I found out I had missed Judi's passing. I called Lis who assured me she passed peacefully and wanted to go. I had hoped to visit her with Lis and didn't make it in time. I hope you all know how much I loved her as did everyone she knew. I referred to her as, "my Mother in Heaven (on earth)." I have always envisioned my mother in heaven to be just like your mother. She taught me so much when I worked as her counselor in Relief Society. Every morning she would go to Marie Calendar's & buy soup by the gallons, place it in her beautiful china and deliver it to those in the ward needing help. We had 83 widows at the time and Judi took care of them DAILY. I did what I could to help her, but I was a single mother of 3 in law school and I had a hard time keeping up with her. She had endless energy and dedicated herself to that calling in a way I have never experienced. It was a joy and a true learning experience to work with her. You are all so blessed to be her children and grandchildren. It was a beautiful service I was just able to watch. You honored her beautifully. Love to all of you.
