Gary I know this is a tough time, but we all have the opportunity of having the comfort that the Gospel provides. Using that is what got me through it with Myrna. Not now, but maybe sometime in the future you will know with all your heart that you guys will be together again. May I offer you my condolences.. Steve Olsen

Gary and family, we are so sorry, Judy was a wonderful lady and always had a smile for everyone. We pray for the comforter to be with you and your family at this time. Our thoughts and prayers and love are with you■

Dear Natasha I was saddened to find out that your mother has passed. It is hard to lose a parent, especially a mom. She lived a rich and full life of dedication and service to the community and family. Our thoughts and prayers are with you and your family at this time. May you feel all the sweet tender mercies that will attend you as you journey through the next few months. All our love, Aunt Brenda and family
