

Juergen "Jerry" Schulz

July 11, 1943 ~ September 3, 2020

We are so very sorry to hear about Jerry’s passing. He was such a kind and happy man. We have so many wonderful memories of the Holidays and other times spent with him. Our thoughts and prayers are with the Schulz family at this time.

When we think of Jerry we think of his smile laugh and unconditional love my favorite memory was Roger was trying to get rid of a wasp nest outside and Jerry came over to help As I watched out the window Roger a had the great idea of getting rid of it Jerry soon joined as they Tried to outrun the wasp in their winter jackets Jerry was laughing The entire time In 10 He was always willing to help When I could not find Roger I’d go outside and call him when I couldn’t find him three hours later I would go next door Jerry Would open the door smiling and laughing and he was just talking nonstop How grateful We are to have him in our family lives he considered us family And always let us know We will miss his smile ,laugh sense of humor inspiration And his unconditional love ❤■

We are so sad to have Jerry leave this world. He definitely will be missed. We will always remember the love Jerry shared, his wonderful sense of humor and laugh, and the great example of love, honor and testimony he was. We loved having the Schulz family as Shields Lane neighbors and have such warm, loving memories of ALL of you. May the Lord bless you and keep you. Love Jack & Diane Stemmons
