November 20, 1965 ~ March 30, 2026

My dear friend Julie. I cherish all the childhood memories we had together. We had so many good times and laughs, camping, riding bikes, boating, sleeping out under the stars and just being silly. I know how deeply Julie loved her family and friends, always so caring and giving with such a tender heart. You're all in my thoughts and prayers Lorin, Lexie, Max and family.
