JMac. Mack attack. Justin, bro you are gone too soon my friend... I am going to miss your quick wit, our friendly banter and pranks we would play on eachother for the past 5yrs at work. I am so terribly sorry for the loss of your dear Justin. I had the pleasure of working with him for several years. We had a lot in common and shared a love for the desert. He often shared stories of his adventures with his beloved family in Utah canyon country. We will miss him very much at work. The place will not be the same without him. I hope that you are able to find sufficient comfort and strength to get you through the sad days ahead. If there is anything I can do to help, I am at your service. Sincerely, Jake Murphy

My heart goes out to the Kane family. I have the best memories of getting to know your family at Telluride and other events with the Nash's etc. Justin was such an amazing guy to sit with and enjoy a quiet moment in the morning while camp was waking up and the world was still for a moment. His smile and introspection were a wonderful way to start the day before the music. Love to all of you in this difficult time.

hello. I can not tell you how sorry I am to hear of your great loss. I am Justins Supervisor here al L-3. I worked with Justin for the past two plus Years, out of the 7 years here. he was not just a good Person but a friend and someone we all could count on to help or just plane jump in. we will always remenber him, as loving , joking and playfullness, that made our days move fast and get things done. he always told great stoies of his family and tirps that you all have taken. my best memories are the little videos that he would show of his dog either pulling the covers off his bed. eating the Chistmas tree or just destoring his house while he was working. thank you for letting me spend the time we had I nkow how much I will miss him. Thanks again Elvin Lucas

My heart goes out to you. I am so sorry for your loss. I remember Justin as a bright, intelligent, fun loving young boy. I saw the delight in those blue eyes when he was playing with his brother. Not to long ago, I shopped with his proud mother and enjoyed hearing all about his life accomplishments. I hope you find comfort in your wonderful memories. My condolences to you and your family.
