

K. Brent Keate

October 7, 1948 ~ April 25, 2024

Our thoughts and prayers are with your family for comfort, peace and strength during this very difficult time. May all the wonderful memories your shared help you celebrate his life.

So sorry to hear about Brent. I remember him as a fun an handsome boy. My heart goes out to you all. Losing loved ones is hard.

Brent was as kind and gentle as anyone I've known. I'm one of 5 to 7 past CU-Boulder employees who have met for lunch every Monday for many years. Our discussions were always meaningful and will be diminished without Brent's thoughtful and insightful perspective. Our little group of friends will always keep Brent with us in our hearts, though now they are heavy without him. It is my belief he is with his beloved Terrie and is at peace. We were blessed to have known him.

I just found out about Brent, I was so blessed to have been Brent's and Terrie's hairstylist for close to 30 years, very quickly I considerd them good friends. I always enjoyed the banter between them, I will always think of Brent as one of the finest men I will ever know. He will be missed
