Larkin

Kristine Stark Cluff Rogers

April 28, 1952 ~ April 2, 2015

Thinking of you always, but now especially. Sometimes a certain smell or song will bring me back to your home, making whistles out of willow leaves, tending to your garden, or watching the birds early in the morning. I wish I could have grown up with you a little longer. Thank you for being such a wonderful person to all you came into contact with, for brightening the lives of everyone around you.
