

James Warren Williams

October 1, 1927 ~ July 4, 2020

Karen, David, Jane, and Marianne, I am so sorry that your wonderful father passed away. It was a great experience watching the video on the Larkin website. I particularly loved to see the photos of your mother and father together. They are an amazing couple. Both your father and your mother have always been so kind to me. I have many fond memories having sleepovers with Jimmy at your home on Wilton Way. As a young boy, you and your parents made me feel like I was a part of your family. May your each of you feel the Savior’s peace now and as you carry on the legacy of your father and mother.

- Paul Young
