Vanessa, Forrest, Angela and Alexis, I don't know what to say. As heartbroken as I am for this loss, I know your heartbreak is far more insurmountable. Kaelyn and I were so different, and had so little in common, but we quickly became good friends. Our souls seemed to speak with one another. She was always there for me, and I hope you can gain comfort believing that she is there with you now. Kaelyn was a wonderful influence in my life, and will continue to be. I am a better person because of her. From the time we met, she soon became my protector as I dealt with health issues. I hold your mom in the highest regard. Over the years, she became my best friend, and I'm sure there are many others who feel the same. What a wonderful soul she has. Your mom was very much loved, and I will always cherish her memory.

I'm sorry for your lost. I don't have that much to say but we have to look forward in life. One thing that my late dad or grandpa Fred Smith said you have to have precious memories. At that exact moment there right there beside you. Yes, it's hard but don't make it harder. I always remember my sister smile, joking, cussing and Laughing at the same time. I will never forget that. Especially watching her video saying ligma balls. Then she starts laughing. I and my twin girls laugh because those her own words that we laugh too. Now we tease each other saying that. Not all the time but we laughed. We were looking forward to see her again this summer. Before she passed she talked to me. At the end she always say I love you and the twin girls. Take good care of your precious babies. In return I always say I love you too sis. From the bottom of my heart I will miss her always. But have memories to laugh. Cry when I need to cry alone. I'm 100 percent you beautiful children will miss her dearly. Ooh yeah I cried this morning. But in my mind she said awww sweetheart don't cry. Do something but in a happy way. Here I am cleaning, talking to the cats and listening to the music. At the end I always have good memories of her. I love you and your family. My codelences go out to each one of you. Children, mom, brother and sisters. At the end cousins that were closed to her and best friends. We love you. From I and my twin girls jaralene and jaralena. RIP my beautiful sister. ■■■■

“To live is the rarest thing in the World. Most people exist, that is all”. Kaelyn was the epitome of this quote. She lived life to the fullest, smiling and laughing thru her adventures. I was lucky enough to be part of her world for awhile and I will cherish the memories forever. A lot of funny stories and kind gestures that will always mean the world to me. My deepest condolences to Kaelyn’s Children and Family I will hold you in my heart and prayers
