Sending all our love. We loved Karen and her precious love she gave to all she met. Always a smile and a hug for all. She was such a good friend to my Mom and Dad. So happy that she could go back to her loving Heavenly Father and smile again. Will be missed by many and greeted by so many more. Prayers for all her family and her dear husband Doug. ❤■■❤■

Connie, you and all of your family are in my prayers. Karen is now being embraced by family after her long struggle with Alzheimer’s.
