Karen was one of the most gentle and loving people I have ever met. She always made me feel so special and I loved working with her in Primary. She is deeply loved and will be greatly missed.

Brother Peery, I’m so sorry to hear about your mother’s passing. Happy for her to move on, but sad for the family she left behind who will miss her greatly She must have been a wonderful woman to have raised a special man like you. Aren’t we so blessed to have wonderful memories to look back on and cherish the sweet times you had together. Heavenly Father’s Plan is perfect. We are blessed to know and be a part of that plan. Please know that you are loved and appreciated. You do such a wonderful work at the Temple. I know she’s very proud of you. ■
