What a darling lady Karen is!! I love her laugh and her wit. She'll be missed by all of us. I have fond memories of her from Colter Bay and her reaction when the boat blew up. She laughed and said oh well. She's a bright star. Love Nancy jenkins

To Karen's family I send my love and prayers for comfort at the time of her passing. I think we were all shocked to hear she had left us so suddenly. How wonderful it is that she is reunited with her special Tom. I so appreciated her friendship, bravery, devotion and sweet spirit. What a wonderful example she set for us all. Sending my love at this time.

I just learned of Karen's passing and I am sorry I missed attending her funeral. Karen was a good friend from Monument Park and we spent lots of time together talking about our two boys, Richard and Scott. Karen was not only a very talented pianist but also a gentle and kind friend who always had such a warm smile. She made everyone feel welcomed to wherever she happened to be. I will always remember both she and Bishop McMaster and the kindnesses they showed me and my family. I know she will be missed greatly. May our Heavenly Father bless and comfort you during this difficult time.
