Dear Brown Family, we are sending you our love and prayers. It is hard to lose someone so dear. We loved Karen dearly and she is and will be greatly missed. We came to know and love her thirty years ago now when we started out our lives together on Jepson Avenue and in the Springview Ward with her being there through difficult and joyous times even across years and distance made possible through technology. She brought joy and warmth to our lives. Her kindness and love has been a blessing. She was a truly remarkable woman and devoted mother. We will always remember her smile and laugh. We rejoice in knowing where she is at and that she continues to live and love and serve and know she will be near watching over her loved ones until she again embraces them. No doubt she has been a good and faithful servant and has entered into His rest. Love, Janiece and Todd Sloan

Everyone needs an Aunt Karen. She always had a humorous story to share accompanied by a contagious laugh and smile. I loved to listen to her stories and enjoyed her cooking. Karen cherished people and relationships. She leaves a legacy of love and smiles and good memories.

Mervin, Heidi and Kellie, My deepest condolences to you and all your family. I hope you find peace and comfort in our Heavenly Fathers plan. While I didn't have the opportunity to get to know her well, Karen sounded like an amazing woman and example to all who she loved and served and no doubt will be missed in this life. Luke Brown
