Steve, I was so sad to hear of Karen's passing. Just wanted to let you know you are in my thoughts and prayers. One thing I will always remember is that you prioritized your marriage....taking time during the crazy tax season to get away with your sweetheart! You two were such a good example that way! Love, Kristine Smith

Hello everyone, I'm not sure what to say other than I'm so very sorry for your loss. Karen was one of the kindest, caring, sweetest sisters I've ever known. I can only imagine the huge hole this will leave in your family as well as your hearts. I remember her being an excellent teacher. I always looked forward to her parts on the school, she had a calmness about her. You are all in my prayers... lots of love Amanda ■
