Karen was a very beautiful, strong, feisty, loyal woman. She was a great mom and friend! We didn't see each other much the past few years but when we did.....we picked up right where we left off. I am saddened to learn of her passing. My prayers go out to all her family and friends. I love you my beautiful, sweet friend!

Our thoughts and prayers are with you Noah...and with all of Karen's family. She was one of the most generous people I have ever met.

Very sorry to hear that Karen had passed. We worked closely together for the better part of 25 years. I really appreciated her dedication and strong work ethic, no one in our company knew the finances in as much detail as Karen. Our offices were adjacent to each other helping us to become friends, I could count on her for fun conversations, money and tax advice, along with videos of Noah playing basketball, definitely a proud mom. I am among the many people that will miss her.

- Lynn Worwood

My heart felt condolences to the family. Karen had a direct way about her drawing you near. She loved her family and friends deeply. I am thankful for her presence in my life. May all the memories replace the sorrow as the days pass. My thoughts and prayers are with you.

You’re very much missed especially by the man that you gave your heart to I’m blessed to have that honor to love you. It so hard for me not to hear your voice of wisdom anymore, I was very blessed to be apart of your life and create an amazing son. You were always supportive and the best mother I have ever known a mother to be, to this very day! I remember all the trips & the travels we did to different countries and states and having the best time as a family. Now you get to sit down and rest and relax in the arms of Jesus, and don’t have to worry about finishing another project. RIP my Beloved Love you LLG

I had the pleasure of working with Karen through Opus Inspection. There was a time that we spoke almost daily. Within in this time, I really got to know Karen and her son, "Noah". I learned of the travels to Vegas for Noah's games, to the request of Noah to having pizza from the local wholesale club, in which Karen let me know, he loved! She shared their cruise to Alaska with me! She shared the loss of her brother to me. She spoke of her family constantly! But....her greatest joy....Noah! Rest In Peace Karen!

Having a little brother is one of the greatest prides of my life, and I'm so thankful that meant I got to grow up with you too. I hope someday I embody the kindness, honestly, and love you always showed me. I miss you Karen, thank you for being a second mom to me, you are on my heart and mind always.

I am deeply saddened of the loss for the friends and family of Karen. No words or actions can help ease the pain that we are all feeling. My family and I will keep her and her family in our prayers everyday.
