I was Karen’s nurse during the last few months of her life. I got to know Karen and her family and it was such an honor to care for her during her final days. Karen and her family will always hold a special place in my heart.

My deepest condolences to Karen's children, grand and great grandchildren and siblings. I was so fortunate to know and work with Karen in our JCL workgroup from 1992 to 1998. She was a beautiful lady and friend who touched my life. Rest In Peace, until we meet again.
