Christine, I'm so sorry for the loss of your Mother. She had a kind heart and a loving nature. She was truly a one in a million. May the Lord bless you in your grief. Thank heavens you will see her again in the eternities. You will be in my prayers. Love, Pops

To all of the children and grandchildren of Karin Bryner: We love your mother. Karin has always chosen kindness and was exemplary in so many ways. She chose the good and beautiful things in life. She has sacrificed for her children and worked hard. Her testimony of the Savior was never a secret. We love all of you. We wish we could be there with you. Thank you for making the Zoom link available. Cliff and Susan Bryner.

Karin & your family are special to me as we were friends, & I enjoyed being her kids church teacher. She told me some of her hardships as a child & agreed to share them with my Sunday School class to help them appreciate the war hardships & how important freedom is to their lives even though it was difficult for her to share the memories. I was so impressed with her experiences & admire her. I wanted to attend today but had a medical situation, so I only got to hear the last talk. I have the website & ID# but need the passcode to zoom the entire funeral. My # is

385-290-9808 or my email is cherrycreekid@comcast.net.

We were saddened to hear of the passing of Karin. She was a wonderful loving woman. A quick story about Karin was when I was giving birth to my fifth child. Duane was taking care of our four boys all under the age of seven. Karin came to the house to help out and straighten up before I came home from the hospital. I was so surprised to come home to a clean home and every little boys shoes were perfectly lined up in a row in the closet. So thankful to have known Karin.

Grandma Karin was an incredible example to her grandchildren. Jonathan talked about her often at school, and how much he loved his time at her house. She'll be missed, but the memories she made will last forever.

It was a beautiful service honoring her, and I could feel the love and the respect that everyone has for her. I worked with Karin and found her to be one of the most amazing women I have ever met. So brave and grateful for all she had endured and overcome. So proud to be an American citizen and showed me her photo. She was always so kind, caring and genuine. I told her one day, that I feel she represents Christ's love more than anyone I have ever met. I truly appreciated her and feel very blessed to have known her.
