Jacob, Melissa and family, we are so terribly heartbroken for the heartbreak your going through for the loss of your precious Karl. it's so hard to know what to say when something as tragic as this happens, so will just say it in a poem if you don't mind <3 when tomorrow starts without me, please try to understand that an angel came and called my name, and took me by the hand, The angel said my place was ready in Heaven far above, and that I'd have to leave behind all those I dearly love. but when I walked through Heaven's gates I felt so at home for God looked down, smiled at me and told me "Welcome Home" So when tomorrow starts without me don't think we're far apart, for every time you think of me I'm right there in your heart. All our love and prayers to you guys. so very sorry.

- Rick and Vickie Maccoy
