

Karla Jean Faber Enniss Alvey

July 27, 1946 ~ April 20, 2025

Although I never had the chance to meet my Grandfather's (Dave) siblings. She definitely sounds like a Faber with a love of animals, celebrations, and a deep caring personality. My condolences go out to my extended family and pray they celebrate her passing with laughter and celebrations as I am positive she wouldn't accept less.

Knowing Carla and her family at the airport village. She was my one and only friend and our moms (Beth Cope) were good friends. So sorry I didn't get to see her more often.
