I send my love and condolences to the family at the loss of your wonderful mother and grandmother. You have a very special mom. I love Karma. She is a happy, bright and fun lady and I enjoyed being with her very much. I worked with her in DUP and that was enjoyable. And she was an excellent secretary in the Ward Relief Society organization. If Karma said she would do something she did it and she did it right. She will be missed, but I know she is in a happy place and we will meet again.
