I will always cherish the many wonderful memories we shared over the 30 years we've known each other as client & friend & as a second mom to me. You for sure will be greatly missed & remembered for the love you shared & the amazing woman you are. Until we meet again my friend. Love you Karma

My heart breaks for the loss of this beautiful, loving & kind lady. I was blessed to meet her through my daughter-in-law, Monica Jenkins (Genore). Peggy, Reed, and Karma and Al always made me feel like family. I know Kelly, & Karee will miss her everyday, there is nothing quite like losing your mother. Their loving fun memories will get them through the hard times. She will still be there to talk to when you need her. She will continue to give you the strength and love you will always have from her. For Peggy it's her kindred soul they were together so often. My sympathy to Al, as her will need all the love and support from his family to get through life without Karma. I will have so many special memories being with all the family and the beautiful children at Karmas pool parties. At lake Powell. And just being with the best family I love and miss terribly. I feel your loss deeply. I will miss being around her. She always had a beautiful smile and helping hand for anyone she knew. I will count my blessing & hold her dear to my heart for the memories of happiness I felt from her. A family that takes in a stranger and treats them like a dear friend. I pray for you all to live with her loving memories to get through your loss. I love and miss you all. Nana ■❤■■■■

Sweet Kelly and family, my heart is sad for the loss of your beautiful mother. She was so kind and gracious when we were at your house. Such a hard loss, one that redirects your life forever. Continue living a special life for your mom. She will be happy knowing you will live to emulate her. I will plant a rose in memory of her. Love you and God bless you and yours at this difficult time. Hugs and kisses. Reese
