Kirk I am so sorry for your loss but you were so amazing how you took care of both your Mom and Dad. They were so lucky to have a son like you. Hang onto all of the good memories. Thoughts and prayers to you at this time.

Our dear Cristopher, We are so sorry for the loss of your mother, and we pray the love of those around you provides comfort and peace to get you through the days ahead. We are keeping you and Sara in our prayers. In Christian love, Rick and Marynette
