
Kathern Taylor

September 14, 1941 ~ December 6, 2022

KATHERN I will look forward to the meeting her on the other side. She was a very special Sister one who would light up the room with her smile and her speech was alway positive with love for everyone. Love, Brad & Kathy

My heart aches for your family. Your mom has been a part of our family since Chad and I got married She made sure we had the food storage items that she got for her ward. the only thing we really did care for was the soy meat substitute. ■ Through the years we have looked forward to seeing Lyal, Kathern and hugs from Brady, when they’ve came down to the cabin and to church. They have been and will continue to be missed. May God bless your family. Cherish the memories you have. Share them. Love, Chad and SusAnn Beach
