Beautiful words for an amazing person. She was truly giving and loving. We can all learn from the legacy she left. She left you with wonderful memories and will be with you as your family continues to live your best life, just as she wants for you.

I'm so sorry this happened to dear Cathy. She was a wonderful woman and I really enjoyed her. Living across the street from Kent and Evelyn was a real joy. I feel blessed that I got to know the whole family. What amazing people. Such wonderful memories. God bless all of you.

I know Kathie's parents and what a wonderful family they are. Kathie has left far too soon. How loved and cherished she is. Reading and watching the video ... what a legacy of love she has left. Lauri Partridge
