

Kathleen Cantrell Fowler

June 29, 1943 ~ June 13, 2024

Kathy was an amazing mother and being a part of her family meant being loved unconditionally and forever cared for. She made such a huge impact on our family. Being included and given a brother in Fred was beyond one of the greatest gifts of all time. Our hearts ache deeply that she isn't with us in the day to day any longer, but we know she is watching over us all and continues to love and care for us. Loving you always! Love, Troy and Trisha Hall
