Our deepest of sympathies to all the family. Thank goodness we know about the Plan of Salvation and what we need to do to be together forever. May your memories be sweet and ever lasting. Such a charming, pretty, and humble woman. Love Joe and Susan Bradshaw & family

We send our love, thoughts and prayers to Tom and the Mulcock family. How we loved Kathleen! She was so in tune to others. One day after a car accident, somehow she found out. As I arrived home, just minutes later, Kathleen came to my front door. She threw her arms around me, said she had heard that I had had a car accident and wanted to console me. She said she understood how scary this must have been, as she had had one herself recently. Her tender love, caring hugs and concern touched my heart deeply. How special she was to all who knew her! Love you, Kathleen. Know you are in our hearts and memories forever.

Tom, I can't begin to tell you how so sorry I am for the passing of your loved one.

It has been several years since I have seen or had contact with Kathy. Her mother Ann is my first cousin. I always remember in our younger years how beautiful Kathy was and how very sweet she was to her sister Krissy. It was fun to see them at the Van Wagoner reunions once in a while. Please know of my sincere sympathy in the loss of

your wife, mother, grandmother, sister, and daughter. May your family be blessed with comfort, peace, faith, understanding, and most of all love as the weeks and months go by. Martha V.W. Remund

Tom, Words cannot express our sorrow for your loss of sweet Kathy. She was a virtuous woman in every sense of the word. She was one of the first to welcome us into the Parley's 3rd Ward and blessed Kathryn's life immeasurably by calling her as a counselor while she served as Ward Primary President. We mourn with you but rejoice in the sure knowledge of your eventual glorious reunion with her that the Atonement provides.

Tom, We are so sad about Kathy's passing and have you in our thoughts and prayers. That includes our children, living from one coast to another who have texted us with their feelings of how they loved your family. Love to you and your whole family at this time.

Dear Tom and family, I am so sorry! A dear friend reached out and just told me about Kathy. My heart just hurts. She is truly one of the best friends I have ever had. She is truly the most beautiful girl inside and out . I think of her so often with that beautiful face and smile that touches everyone she meets . I remember the excitement after her first date with Tom, and she knew she had found her true love. She had her forever and you made her so happy. Please know how sorry we are for you and your sweet family. You have the best and she is so loved. Prayers, hugs, and lots of love for all of you. Love Traci and Scott Brown
