I’m so sorry for your loss.

Kathy became a dear friend when we were visiting sisters years ago. I got to learn what a kind and loving person she was. My condolences to her husband and family.

Roland, I’m so sorry for your loss. I always loved talking to Kathy when we were able to get together. She was such a special person. I pray that you will be able to have comfort during this time of separation. Until you will be able to see her again. Sorry I wasn’t able to make it to the funeral. I was there in my heart. May God be with you and bless you in this time of need! Love you both, Kathy Maxfield Maxwell

Kathie and I where friends in high school and church. Wonderful sweet person. I knew her family and stayed with them when I would come to Utah from college. So sad to hear of her passing.
