She was an amazing person and a good friend to my wife. She was with her talking every day in the hospital. They were best friends. She will be missed.

My deepest sympathy to the family. The loss of a loved one can cause much sorrow and pain. May you find comfort in the inspired words of the bible found in the book of Revelation 21:4 - And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.
