Kathryn was our neighbor for 15+ years. She was such a delight! Making candies for us was her pleasure and ours! They were soooooo good! Peter loved his visits with Kathryn just talking and reminiscing about Bob. Bob was Peter’s mentor and friend. We will miss them both dearly! ❤■❤■❤■

Dear Wyman Family, It is with deep regret to read of the loss of your dear mom. The Wyman family has always meant so much to our family. We have such wonderful memories of growing up with you our dear neighbors and friends. Your mom would always get such a kick out of, and mimic Nic (elementary) coming over to ask if Rodney (high school) could play. (And Rodney would always be so sweet to him and oblige.) Kathryn left an amazing

legacy in her children. We cherish and feel lucky to have had Rodney and Lorna and your mom and dad in our lives. Sending love and strength to you. Xoxo

Family, I absolutely loved your Mom! She was always so kind, thoughtful and full of smiles whenever I had the chance to be around her. She was very talented and I enjoyed seeing the beautiful things she created and delicious food she made. I’m so sorry for your loss. Lots of hugs to you all!
